History

Runnymede College was founded as a private non-denominational day school in 1967 to provide a British secondary education for English-speaking boys and girls of all nationalities living in Madrid. A primary school was started in 1987. Since 1993 it has been authorised by the Spanish Ministry of Education and Culture to have Spanish students. In 1998 the school moved to its current location in La Moraleja.

The name Runnymede College was chosen by Arthur Powell, the school's founder, to reflect his view of the school's role and values. It deliberately recalls the small island in the River Thames where, in 1215, the Magna Carta was sealed. This famous medieval document, which confirmed many significant rights and liberties of the English people, inspired Arthur Powell and his wife Julia to create a school where students in Madrid, including their own children, would have the opportunity to experience an education that was free-thinking, challenging and enriching.

In 1967, Runnymede began as an island of liberty in a river of scholastic limitation and rote-learning. Today, under the headmastership of Frank Powell, Arthur's son, the school continues to be proud of offering an intellectually stimulating educational environment that prizes critical and creative thinking, and helps young people to fulfil their potential as globally-minded, compassionate and thoughtful individuals.

“Delight, Ornament, Ability”

Chosen by Arthur Powell, Runnymede College's motto is derived from an essay by the Jacobean polymath and statesman Sir Francis Bacon. 'Of Studies' (1625) begins: "Studies serve for delight, for ornament, and for ability", meaning that studying should bring enjoyment, allow you to successfully demonstrate your knowledge, and give you the skills to understand and respond to the world around you. This motto continues to reflect the school's approach to education, in which the sheer joy of learning is intrinsically interwoven with academic rigour and purpose.

Aims and Values

Runnymede undertakes to provide a safe, respectful and caring environment in which students can prosper personally, intellectually, culturally, morally, academically, socially and physically.

The aims of the School are:

1. To provide an all-round academic, humanistic education to all pupils regardless of their sex, race, religion or nationality.
2. To help children to maximise their potential, whether intellectual, artistic or physical.
3. To encourage positive social attitudes and respect and consideration for others, of all ages and backgrounds.
4. To create the conditions of a happy atmosphere and structured environment where children feel secure, through reasonable discipline and School rules known to all.
5. To educate pupils in preparation for adult life and to orient them towards pursuing the most suitable higher education course and professional career.

Our Values

Runnymede is committed to academic excellence and sets the highest standards of behaviour and social conduct, fostering the development of mutual respect and responsibility. Above all we want our children to develop a love of learning and to become independent learners.

Fair play is also encouraged – learning to win without gloating and to lose with good grace, to accept the decision of the appropriate authority, be that of the referee in sport or the teacher in class, and to derive satisfaction from having done one's best even when others have done better.

Teachers are encouraged to stimulate thinking and discussion about absolutely any subject, always bearing in mind the sensitivity of youth but without indoctrinating children in their personal attitudes.

Runnymede's Values provides a framework within which pupils and all members of the School community can work together to achieve our common aims. The Values defines what we expect from every pupil and aim to promote a sense of pride and belonging to the School.

A necessary background to our rich variety of activity is discipline, conceived as respect for oneself, for others and for the School. We believe that children flourish best when their personal, social and emotional needs are met and where there are clear, developmentally appropriate expectations for their behaviour. Pupils are rewarded for effort, behaviour and achievement and sanctioned in cases of misbehaviour pursuant to the terms of the applicable discipline system implemented in the Prep and Senior Schools.

Campus Improvements

The Runnymede campus is undergoing significant improvements with several new developments.

In 2024 two new buildings were opened:

- a new 3,000 square meter Prep School building offering spacious classrooms and enhanced facilities such as a state-of-the-art laboratory, a dedicated SEND department, two music practice rooms, and a performing arts space.
- the Frank Murphy Memorial Library, a beautifully designed space for private study and quiet reflection.

To enhance safety on campus, new measures have been implemented to separate vehicle and pedestrian traffic, along with new access control procedures and systems. A second security guard will be in post from September from 08.00-20.00. The turnstile access to the campus is still in development and will see access to the site regulated by lanyards.

The academic year 2025-26 will see the unveiling of new sports facilities, including an artificial grass pitch.

School Leadership

The school leadership team is comprised of the Senior Management Team which oversees operational matters and strategic direction for the whole school, and the wider Senior Leadership team which leads the separate sections of the school.

Teaching Staff

Pupils can usually find senior school teaching staff in their teaching rooms or in the staff room on the Locke floor of the Founders' Building.

Parents have several opportunities to meet teachers and tutors throughout the year and dates are published by Heads of Year in September. These include start of year Expectations Meetings, Parent Meetings and other events such as Options Evenings.

If a parent wishes to meet with a teacher at a different time, they may arrange an appointment by email, using the following format: first initial and surname followed by @runnymede-college.com. e.g. Georgina Powell is gpowell@runnymede-college.com.

Pupil Leadership

There are pupil leaders in the Pre-Prep, Prep and the Senior Schools. Selection differs depending on the school phase but usually takes place through applications, or nominations by staff and pupils. Pupil Leaders take responsibility for supporting school events, encouraging participation, charity fundraising, and representing the views of their peers. The key pupil leadership roles within the school are listed below:

HOUSE CAPTAINS

House Captains are appointed in several key year groups across the school, notably Year 10 and Year 12. Their responsibility is to lead the pupils within their Houses to help organise and encourage participation and enthusiasm in House Events, such as Sports Day.

PUPIL LEADERSHIP TEAM

In the Senior School the PLT is led by the Head Pupils, with Sixth Form Prefects acting as Chairs for each of the five committees that make up the PLT. The Whole PLT meets for an agenda setting meeting at the start of the academic year, and meet thereafter in weekly break time meetings. Each committee focuses on a different strand to school life and outreach, as outlined below. SLT representatives support each committee and help to guide and support their ideas.

Houses

The Runnymede College House System was established by Arthur F Powell in 1967 and encourages both academic achievement and team spirit. It is comprised of four Houses:

- **Austen**
- **Keynes**
- **Locke**
- **Newton**

Our Houses are named after giants in their respective fields of literature, economics, philosophy and science. Each of the four floors of the Senior School Founder's Building is also named for the school's houses.

As a member of a House, pupils foster a sense of group identity within the school, particularly during whole-school events like Sports Day, Cross Country and the Founders' Debate. They also earn House Points throughout the academic year as a result of impressive behaviour and schoolwork.

Students in the Senior School in Year 10 and 12 have the opportunity to become House Captains, and all members of the school community learn about the significant achievements of Jane Austen, J.M. Keynes, John Locke and Isaac Newton.

Every child is assigned to a House on joining the School. An attempt is also made to ensure that there is a similar number of pupils in each House in the School, and a balance of boys and girls.

Attending lessons

- Pupils must arrive to all lessons on time. Arriving late to the lesson may result in a penalty, which is escalated for repeated lateness. Pupils intentionally missing a lesson will receive a detention.
- They should bring the correct equipment to each lesson. In the Senior School this will differ slightly between subjects, but in general will include a textbook, exercise book/file, charged iPad.
- All children must come to lessons with a pencil case, labelled with their name and containing:
 - 2/3 black ink pens (these are a requirement for all external exams)

- Pupils wait outside the classroom in an orderly fashion until asked to go inside and then stand behind desks until told to sit down. Pupils should stand up when the Headmaster, Assistant Headmistress or visitors enter the classroom.
- Should a teacher fail to appear for Registration or for a lesson, a pupil should go to the Staff Room to inform a member of staff.
- At the end of the lesson, students will stand behind desks until told to leave. Students should move to the next lesson between the warning bell and the second bell. They should be ready to start next lesson on the second bell.

Speaking English

- We celebrate many nationalities at the school, including British, American, Indian, French, and Italian, but the majority of students come from Spain.
- As the language of learning, English must be spoken at all times in lessons. (The only exception to this is Spanish, Lengua, Sociales and French). This is to fulfil one of the key aims of the school: to ensure that our students leave Runnymede with a native-speaking level of English.

The following areas are out of bounds at all times:

- Any area outside the school perimeter (permission from the duty teacher must be sought to retrieve footballs, etc.).
- The walkway outside the Prep or Pre-Prep School classrooms.
- Pre-Prep or Prep School buildings for Senior pupils unless they are going to the nurse.
- Underground car park (there are exceptions to this rule, such as disabled pupils or pupils with injuries who need to use the lift).

Inside Founders' Building

- Almost all Senior School lessons take place in Founders' Building and pupils are encouraged to treat it with respect.
- Students are expected to take care of the school environment, look after and keep classrooms tidy, place all litter in the correct bins and ensure recycling duties are carried out properly. No eating is permitted inside the building.
- Pupils must be quiet and orderly when moving around the buildings.
- Pupils may not be in Founders' Building during break or lunch unless they are supervised by a teacher, except for Sixth Form students.
- Pupils must seek the permission of the teacher if they wish to use the toilet during lesson time.
- The lift may only be used by members of staff and authorised students.

Electronic devices:

- Mobile phones are entirely prohibited at Runnymede. Should pupils need to contact their parents by telephone after school has finished they should bring a non-smart phone to school, and leave it at the school office.
- Smart watches and other personal devices should not be brought to school, with the exception of Sixth Form who may be given permission to use a laptop.
- Students must abide by the iPad rules found on Page 32.
- Students should not contact parents via email or messaging services during school hours. All communication should be via the school office.

Academic expectations:

- Our aim is that all Runnymede Pupils develop the skills needed to become independent and curious enquirers, creative thinkers, resilient, reflective learners and self-managers.
- Pupils are expected to take responsibility for their learning, being on time prepared for their classes with the right materials and work completed.
- Pupils must be respectful towards and Runnymede staff and pupils at all times.
- Pupils are expected to take responsibility for their own work, completing it on time and meet set deadlines.
- Pupils are expected to be responsible and honest. Academic honesty is an essential lesson to learn, so all pupils must do their own work, not cheat, plagiarise, copy or pass off work of others as their own. Please see the [RC Academic Honesty Policy](#).

English Across the Curriculum Policy

INTRODUCTION

Runnymede prides itself on the level and quality of English used by its students. The school believes that the development and encouragement of the correct use of the English Language is the shared responsibility of all staff in all subject areas which are taught in English. Teachers should model excellent English usage in oral and written communication and they should look to develop subject-specific English vocabulary as part of their teaching.

The aim of maintaining and developing the quality English goes hand in hand with developing a high level of Spanish which is the mother tongue of most students at Runnymede.

SPOKEN ENGLISH

- English should be used as the means of communication in all lessons, apart from Modern Languages, Lengua and Sociales.
- Teachers should model good English in their communications with students.

- Teachers should correct intonation/pronunciation.
- Teachers should provide opportunities for structured talk
- Students should be given the opportunity to use spoken English in a variety of situations such as answering questions, presenting work to peers, discussing and debating

- Students should be encouraged to read for pleasure.

WRITING

- Teachers should encourage the use of accurate, correct and well structured written English.
- Teachers should make clear the requirements of written tasks and should model good writing.
- Pupils in every subject should be given explicit instruction on how to improve.
- Teachers should correct spelling, grammar, expression and syntax where appropriate.
- Word processed work should be spell checked.
- Pupils should be taught subject-specific features and conventions of good writing.
- Style should be appropriate to the task and subject.

DIFFERENTIATION

- Teachers should model good use of English to help pupils grasp what they are aiming for.
- Teachers can use a variety of approaches, including collaborative and paired writing, to motivate students to write.

Pastoral System & Safeguarding

Pastoral care is concerned with promoting personal, social, emotional and intellectual development in order to help every child reach their full potential and be equipped with the skills to succeed in all aspects of life.

The pastoral team includes all members of staff and promotes positive relationships in school and the active participation of every student in the education process in order to ensure that they benefit from all that the school has to offer. Key members of the pastoral team are outlined below.

Pastoral Team

Form Tutors take primary responsibility for pupils on a daily basis and parents will communicate with those members of staff in the first instance about any health, wellbeing or academic issues. They also offer support and guidance to all pupils in their care through registration, PSHE sessions, assemblies, individual meetings and mentoring sessions.

Heads of Year are responsible for co-ordinating their a team of Form Tutors and oversee the progress of pupils in their year group and behavioural or academic intervention.

The Deputy Head (Pastoral) leads safeguarding and pastoral provision, alongside the Coordinador de Bienestar y Protección. They may become involved if a wellbeing issue escalates or there is a more serious concern about a child.

Additional support is received by the school psychologist, the SEND coordinators, as well as visiting educational psychologists and counsellors.

Key Pastoral Policies

Below is a summary of some of the school policies which all parents and pupils are expected to familiarise themselves with. They cover the school guidelines, rules and response to range of important issues.

Promoting Positive Behaviour: We expect all our pupils to strive to meet the school values in all they do, both in lessons and outside the classroom. We seek to reward pupils who meet demonstrate those values, and respond when their behaviour goes against them. For further details, please refer to [RC Promoting Positive Behaviour Policy](#).

Safeguarding & Child Protection: Safeguarding and promoting the welfare of children is everyone's responsibility. The school will always act in the best interest of the child where there is any doubt over a child's welfare or where there is specific cause for concern. Sometimes the school may involve external agencies where they have a responsibility to do so. For details on this crucial topic, please see the [RC Safeguarding & Child Protection Policy](#)

Personal, Social, Health, Economic Education (PSHE): An age-appropriate spiral curriculum is in place throughout the school to help our pupils acquire the knowledge, understanding and skills they need to look after themselves and live healthy, safe, productive, responsible and balanced lives. Full details of SEND procedures and support can be found in the [RC PSHE Policy](#).

Alcohol, Smoking and Drugs: We have a zero tolerance policy to illegal and unauthorised drugs on or off the school premises. See further details in [RC Alcohol, Smoking & Drugs Policy](#)

Bullying: this is purposeful and repeated action conducted by an individual or group and directed against an individual who cannot defend him/herself in the situation. We are committed to an anti-bullying culture where the bullying of any member of the school community is not tolerated in any form. Prejudice, discrimination and bullying are likely to be met with serious consequences. More information can be found in the [RC Preventing Bullying Policy](#)

Online behaviour and use of digital devices: we celebrate the benefits that technology has brought to education, whilst continuing to recognise and respond to the unique pressures that children face when using it on a regular basis. Pupils sign to have said that they have read the [E Safety Policy and iPad Rules](#) at the start of each academic year.

Special Educational Needs: at Runnymede we expect all students to make exceptional progress and have a team of specialists dedicated to support children with additional learning requirements. You can see more detail on how we support learners in the [RC SEND Policy](#).

House Points, Penalties and Sanctions

Full details of approaches to behaviour and procedures can be found in the [RC Safeguarding & Child Protection Policy](#).

Our House Points System encourages positive conduct and rewards pupils for their efforts and achievements. Examples of excellent behaviour, academic progress and demonstration of the school values are rewarded with House Points. Incidents of poor behaviour or a poor academic attitude lead to the issuing of Penalties.

The accumulation of House Points leads to the awarding of wristbands, the sending of emails to parents and opportunities to meet with the Headmaster and receive congratulations.

The accumulation of Penalties is monitored by the Head of Year, leading to the interventions below:

Negative House Points	Sanction	
3	Form Tutor/Class Teacher Warning	You will spend a break time or a lunch time with your Form Tutor or Class Teacher discussing the reasons for your penalties and will consider how to improve your conduct in the future.
5	Parent Notification	Your Form Tutor or Class Teacher will contact your parents to notify them that you are not meeting the behavioural standards of Runnymede College, and to discuss the necessary improvements.
10	Behaviour Report	You will spend a lunch time with your Head of Year discussing the reasons for your negative house points and consider how to improve. You will be issued with a behaviour report for a period of 10 school days, in which each of your teachers will comment to what extent you have met your behavioural objectives. Your parents will be notified that this is taking place.
15	Parent Meeting	Your parents will be called to school to meet with your Form Tutor or Class Teacher and your Head of Year to discuss your poor behaviour and conduct. Your behavioural report will be extended and more serious sanctions such as an internal suspension will be considered at this time.
20	Headmaster Warning	Your parents will be called to the school to meet with the Headmaster or appropriate member of the Senior Leadership Team. An external suspension is a likely sanction at this time, as well as a final warning on your conduct.

PSHE

Personal, social, health and economic (PSHE) education is an important and necessary part of all pupils' education. In our capacity as a British Schools Overseas centre, we follow the guidance of the UK government in shaping our curriculum. Please see our [PSHE and RSE Policy](#) for more information.

What is PSHE?

The topics and issues in PSHE are far reaching, and broadly cover the five areas below:

- Physical Health
- Digital Health
- Healthy Relationships
- Mental Health and Wellbeing
- Careers and Study Skills

Pupils will consider how to maintain physical, mental and emotional health and wellbeing, and how to anticipate and manage risks their health and wellbeing. They will consider ways of keeping physically fit and emotionally resilient, especially when facing personal changes during puberty and adolescence. Maintaining healthy online habits will be addressed here, too, in detail, as this is a huge challenge faced by twenty-first century society, both adolescent and adult.

Pupils will discuss and consider how to develop effective and respectful relationships, and how to navigate the natural turbulence of all types of relationships. It also allows pupils to become aware of the boundaries and expectations of healthy relationships. Topics such as bullying, consent and personal assertiveness will be taught, here.

We also teach pupils about respect for themselves and others, and the importance of responsible actions and behaviours. Pupils will learn about rights and responsibilities as members of families, other groups and citizens, about different groups and communities, and the importance of respecting diversity. Topics relating to governance, economic literacy and finance will also be included.

How is it taught?

- The nature of PSHE is that it encourages personal opinions and reflection and it includes topics that may be uncomfortable for pupils. As such, firm ground rules of mutual respect are made clear to students during PSHE lessons.
- PSHE is delivered by Form Tutors/Class Teachers in scheduled sessions each week, as well as through assemblies and discussion groups which may be led by Heads of Year, other staff or external specialists.
- The delivery of sessions by members of our wider school community, including parents, alumni and friends of Runnymede College is something we are interested in developing further in the future, and any registrations of interest in this would be welcomed by us.

Academic Curriculum Overview

The education offered is based on the English National Curriculum. The subjects taught at the school are: English Language and Literature, Mathematics, Spanish, French, Computer Science, History, Geography, Ciencias Sociales, Physics, Chemistry, Biology, Art, Music, Drama and PSHE. Economics, Business Studies and Further Maths are also taught in the sixth form.

There is a selective entrance test. Most classes are mixed ability usually determined by form groupings, but some subjects such as Spanish, French, English and Mathematics may be set.

All students take the International General Certificates of Secondary Education (IGCSEs) or GCSEs (Art) at the end of Year 11 and Advanced Level Examinations of the GCE at the end of Year 13 (A levels).

We prepare pupils for higher education, and every year the majority of Year 13 students go to university in the UK, the USA or attending top universities in Spain as well as other world-renowned European universities.

Monitoring Academic Progress of Pupils

Runnymede College prides itself on possessing an in-depth knowledge and understanding of all the students at the school. This understanding is based on staff experience of the pupils, knowledge of the character and circumstances of each student together with information in the pupil profile, reports, internal and external assessments.

Student progress is recorded and monitored by Tutors and Heads of Year, principally using:

- teacher and pupil feedback
- assessment data
- subject reports including attitude and attainment grades
- rewards and sanctions

When concerns about pupil progress is raised, tutors collect information and together with the pupil, parents, Heads of Year, Teachers and SEND Co-ordinators (where appropriate) devise an action plan. This may include the introduction of additional feedback points, such as the use of a report card.

Handovers between Heads of Year each summer help to ensure continuity of support.

iPads and Digital devices

Pupils in Year 9-13 are provided with a school iPad to use for school work only. This allows them to access key resources including those posted in Google Classroom by teachers. The devices are allowed to be taken home where they should be charged overnight.

Access to the school iPads, is as follows:

1. Years 9 and 11: 06:00-22:00
2. Years 12 and 13: 06:00-00:00

The iPads are controlled by **Jamf School**, Apple's mobile device management (MDM) software for educational institutions. We use Jamf School to manage the installed apps, schedule usage and control the use of the devices by teachers during lessons. Information about parents can use Jamf to apply their own individualised settings can be found below.

Access to the school iPads, is as follows:

1. Years 8 and 11: 06:00-22:00
2. Years 12 and 13: 06:00-00:00

As a school we are committed to ensuring safe use of the internet. We use **Linewize** for content filtering. This software allows you to filter web content by device, i.e. it filters content both in and out of school. It also monitors searches and produces real-time alerts for certain content, such as adult content, bullying, depression, suicide and academic dishonesty. This allows our pastoral team to intervene if a pupil is accessing concerning material online.

Acceptable use of iPads:

- Pupils are reminded that the iPad they are provided with is school-owned device and they are responsible for looking after it. Loss or damage to the iPad may result in their parents being charged for a replacement.
- iPads must only be used for work and in lessons. They must not be used during break or lunchtime.
- iPads will be left in pupils' lockers during break and lunchtime, and taken home at the end of the day.
- Pupils are responsible for charging their iPads at home. They can only be charged in school in exceptional circumstances.
- Unless an activity specifically requires the use of an iPad, these must be left face-down on pupils' desks. Teachers can monitor the use of iPads through the Apple Classroom app. Unauthorised use of iPads in class will be punished with a negative House Point.
- Playing games or downloading applications or VPNs which have not been approved by the school is forbidden and doing so will be reason for a negative House Points or more serious disciplinary action.
- The use of messaging applications in school is strictly forbidden. Students should not use the email without the express permission of teaching staff in school hours.
- Pupils are required to inform the teacher or others when using the camera or audio recording functions and are reminded that they must not publish photographs or videos on any online network.
- Pupils should ensure they leave sufficient space on the iPad to store school work and school-related applications.
- Pupils should back up their work and save important files and material before returning the iPads to the school.

Parental Management for Pupil iPads

The school uses a device management system called Jamf. This allows us to monitor device use and access. Jamf has a parent tool which enables families for to manage pupils' school iPads when at home: Jamf Parent.

Jamf Parent is a tool which helps to promote responsible and balanced use of digital devices at home, providing visibility and control. Jamf Parent focuses on restrictions and time-based rules.

Directly connected to the school's device management system (Jamf School), it allows parents to set restrictions and schedules for their child's school iPad outside school hours. Parents can allow or block specific apps and websites or set schedules for when the iPad can be used. Its goal is to support balanced device use by limiting distractions (although it does not track activity or generate reports).

How to configure

Parents can link the Jamf Parent app to their child's iPad themselves at home. A step-by-step guide is available in both English or Spanish explaining how to complete this setup:

ENGLISH: <https://www.jamf.com/resources/product-documentation/jamf-parent-guide-for-parents/?nav=1>

SPANISH: <https://www.jamf.com/es/recursos/documentacion-productos/guia-de-jamf-parent-para-padres/>

Key Academic Policies

Below is a summary of some of the school policies all parents and pupils should familiarise themselves with. They cover the school guidelines, rules and response to range of important issues.

- **Assessment & Homework:** Our approach to assessment, feedback and the grades we use when marking is consistent across the school. Parents receive a summary of grades at regular intervals throughout the school. See further details in [RC Assessment & Homework Policy](#).
- **Teaching, Learning and Curriculum Policy:** Runnymede follows the English National Curriculum and pupils are prepared for (I)GCSE and A Level external examinations. See further details in the [RC Curriculum Policy \(Senior School\)](#).
- **Online behaviour and use of digital devices:** we celebrate the benefits that technology has brought to education, whilst continuing to recognise and respond to the unique pressures that children face when using it on a regular basis. Pupils sign to have said that they have read the E Safety Policy and iPad Rules at the start of each academic year.

Homework

Full details about Homework as well as pupil and parent expectations can be found in the RC Assessment and Homework Policy.

Homework is any work that is set to be done outside the timetabled curriculum. It aims to encourage students to develop independent learning skills and take responsibility for their learning and to extend learning and reinforce skills and understanding developed in class.

Homework is allocated according to a timetable to ensure that the load is evenly spread across the week. All pupils are provided with a school homework diary to help manage their work. They are expected to complete homework in a timely fashion and adhere to deadlines set by their teachers. Where a pupil has concerns about their homework, we encourage them to communicate in a proactive way with their teacher, before the homework deadline.

Allocations differ depending on year group, as follows:

Homework allocation - Senior School

Co-Curricular Programme

The broad and enriching co-curriculum programme at Runnymede is an essential element of our educational provision. Pupils of all ages are expected to engage with activities in order to develop new skills, boost confidence and develop team and leadership skills.

The programme is made up of co-curricular activities and extra-curricular activities:

Co-curricular Activities

These are the academically and creatively enriching clubs, societies and activities which are run within school hours (usually at lunchtimes), and which students can contribute to individually during their free time. There are no charges for these.

They include the Model United Nations Club (for Years 12 and 13), the Runnymede Times, Creative Club, Medic Society, Juggling, and many more.

At the start of each academic year there is a Co-Curricular Fair. This provides an opportunity for all Co-Curricular activities to show case what they do, and for pupils to sign up to whichever activities they would like to try.

Extra-Curricular Activities

A key component of the co-curriculum comprises after-school extra-curricular activities, which are booked through the office and Mrs Powell. These include Team Runnymede*, the school's sports teams, run by the PE department, as well as all other activities which students can choose to take part in after school. These include the creative activities like Drama Club, Music Club, ballet, and the Duke of Edinburgh Award scheme.

These extra-curricular activities are booked on a termly basis before the start of each term, although some will accept students joining later in the term. Instructions on how to book, with a detailed timetable, are sent to parents and are available on the school website.

Most of these do incur charges if an external specialist coach is employed, the activity occurs out of school, or there are additional external costs such as travel, equipment, entrance fees etc.

Further details about Extra-Curricular Activities can be found on the [school website](#).

***Team Runnymede**

Team Runnymede is the project with which Runnymede College seeks to develop our pupils' physical and motor skills and help them achieve excellence in sports and become all-rounders. Through this structured program, Runnymede College seeks to complement our pupils' academic aptitudes with the social and physical benefits derived from taking part in team sports.

The project has been developed as an integral part of the co-curricular programme and is focused on four major sports: Athletics, Football, Rugby and Volleyball. The programme is offered to girls and boys from Years 1 to 13 and structured into two phases that allow pupils to try out the four sports before specialising in a particular area in which they will aim to achieve high standards.

Since September 2015 Team Runnymede has been registered as a Sports Club, meaning our squads may be enrolled in Spanish federated leagues and tournaments at a local and national level.

Further details about Team Runnymede can be found on the [school website](#).

Sixth Form Guidelines

Entry into the VI Form marks a major transition and students are expected to adopt an adult approach to their studies and their general behaviour. This new approach to study is reflected in the greater freedom and the privileges they enjoy as senior members of the student body. The school rules nonetheless still apply and students must make sure they follow them.

Academic performance

Academically, students must become far more self-sufficient than at IGCSE, showing the level of organisation necessary to juggle the demands of their specific subjects. It is assumed that students have a genuine interest in their chosen subjects and that they will not only complete all set assignments to a high standard and on time but also read around the topic, contribute in class, voluntarily engage in further study and explore "super-curricular" interests.

Students not showing the required level of application may be asked to leave a subject.

Use of technology

Students are encouraged to use technology effectively and appropriately to aid their learning. During lessons subject teachers will advise as to how technology should be used for research, note-taking etc.

Students will follow the school's rules on mobile phones.

Study periods

During the school day most students will have study periods. They must use their time responsibly and effectively to complete work as well as super-curricular activities. Students must respect other pupils' need to concentrate by maintaining a quiet atmosphere in study spaces.

Study spaces

VI formers are able to work in the study spaces around the school premises, including in the Founder's building, in the Sixth Form spaces, in the Frank Murphy library and in class rooms. Students must look after these spaces and maintain an appropriate atmosphere conducive to studying.

Sixth Form University Preparation

In the Sixth Form we have an extensive university preparation programme.

Orientation - University Preparation

In the second term of Year 12 students embark on an orientation programme coordinated by the Head of Sixth Form. During Orientation, the following sessions take place:

- Presentations regarding researching and making an application to various destinations (including the UK, US, Spain and elsewhere in Europe).
- How to write a personal statement. During IELTS classes, students are then guided through personal statement writing.
- Study skills and growth mindset
- The Heads of VI Form also speak to Year 12 parents about the procedure for applying to university.
- Parents are encouraged to discuss options with their children and are invited to seek an interview with either the Head of Sixth Form or the Headmaster.
- Subject teachers offer advice on summer reading and super-curricular activities, and students should think carefully about the referee and teacher advisor they will choose to help them through the process from the September of Year 13.

University Presentations

During both Years 12 and 13, we receive visits from university representatives who speak to students about specific institutions and the general application process. In the past we have had visits from Cambridge, Warwick, LSE, UCL, King's College London, ICADE, IE,

In the Autumn term we have a University Fair where representatives from various universities are invited to come to the school and share information about their universities and the application process.

Unifrog

Year 12 are given access to Unifrog, an online research platform which they can use to investigate different course and university options. They also log all information about their super-curricular activities to build up a profile that their advisors and referees can use to help write references or recommendation letters.

Work Place Visits

In April sixth formers take part in a 'Take a Runnymedian to work' visit, where they get a flavour of what the working world is like. Most of the visits are to Old Runnymedians who share their experiences about their careers.

Work Placement Programme

The school office manages a work placement scheme through contacts that the school has. During the second half of the academic year details are made available about work placements (which take place typically in July) and students are encouraged to consider them and make applications.

Visiting speakers

Outside speakers (often Old Runnymedians) aim to widen students' horizons in terms of future plans (both university courses and career options), and give them insights in the world of work. Visiting speakers may present to sixth formers over the course of the year, but particularly during Orientation.

Critical Thinking Club

There are weekly break time sessions to develop students critical thinking, debate and other transferable skills.

Oxbridge and Medicine Preparation Programme

There is an extensive programme to support students applying for Oxford, Cambridge or Medicine. This includes weekly meetings, extra support with wider reading and the admissions tests, and interview practice.

Health & Safety

Key Health and Safety guidelines are included within this Handbook, as they drive many of the rules and expectations which are in place for pupils in school to keep them safe. Additionally, please be aware of the following:

Health and medical care

- Parents/guardians must inform the School of any health or medical condition, disability or allergy that their child has or subsequently develops, whether long-term or short-term, including any infections.
- In order to prevent infection and create the safest school environment possible, a pupil who is ill must not attend school. Parents/guardians are asked to keep their child at home if they are ill or infectious, and not before 24 hours without fever or symptoms. If they have had symptoms of vomiting and/or diarrhoea, they must not attend school until 48 hours after symptoms have stopped. If a pupil develops unexplained rashes, they should be considered infectious until assessed by a doctor. If parents are unsure about whether or no a child should return, they should phone the school.
- If a child requires medication during the school day, this must be brought to the school office and will be kept and administered by the school nurse. Children should not be in possession of medication or self-administer it whilst at school.
- Parents/guardians must inform the School of any situations where special arrangements may be needed in relation to their child.
- If a child requires urgent medical attention while under the School's care, we will, if practicable, attempt to obtain your prior consent. However, should we be unable to contact you we shall be authorised to make the decision on your behalf should consent be required for urgent treatment (including anaesthetic or operation) recommended by a doctor. Any such decision would be made by the nurse or by a senior member of staff.

Insurance

- The school has insurance which provides cover for pupils during any school activity taking place with the full knowledge and authority of the school, including direct travel to and from such activities, including optical and dental expenses coverage. The premium for this cover is included in your school fees. All students are automatically covered and there is no need to fill out any form to join.
- The school also has travel insurance to cover health care in the event of an accident or illness.

For further details on insurance, see the [School Accident Insurance](#) information on the website

Fire Safety Instructions (Senior Pupils)

Fire Drills take place at the start of the academic year (planned) and during the course of the academic year (unplanned). Pupils are instructed to know how to respond, and should treat the drills as a real emergency:

1. Stay calm, file out of the building quietly, always following the instructions of their teacher or the nearest member of staff or adult.
2. Remain silent all the times until the Emergency Deputy gives the "all clear".

3. All possessions are to be abandoned.
4. Leave the building via the nearest exit which, if not obvious, will be indicated by a member of staff:
 - Newton (Ground floor) - external classroom/lab doors.
 - Locke 1 to 6 - main stairs and entrance
 - Keynes 1 to 6 - main stairs and entrance
 - Austen (Music Room) - the entrance through the Music Room
 - Locke 7 to 14 - the Emergency exit stairs
 - Keynes 7 to 14 - the Emergency exit stairs
5. The exodus must be led in an orderly fashion - no running or pushing.
6. As soon as the assembly point is reached, line up quietly. (See assembly points below)
7. Line up in alphabetical order, so we can easily identify if anyone is missing behind or in front, even before the teacher calls the roll.
8. If everyone in a form is present, the pupils in that form will be asked to sit down. This way form groups with missing people will be quickly identified, as they will remain standing.

ASSEMBLY POINTS:

Years 9 - 11 - PLAZA

- Line up in in the Plaza in front of Founders' building with Year 9 closest to the library

Years 12-13 - Steps in front of Founders' building

- Assemble by form on the long steps coming down from the Plaza, in between the white benches
- Pupils who have exited the building through the Fire exit must turn right and walk along the North-facing side of the building to the area between Founder's building and the Julia Powell Sports Hall and Auditorium.
- VI Form pupils who have exited the building through the main entrance should take their way directly to the steps.

Full details can be found in the [RC Fire Safety Policy](#).

Parental Expectations

We recognise the fundamental importance of working alongside parents to support the development and progress of each child. We welcome open communication with all parents, for positive reasons, as well as when dealing with more complicated matters relating to wellbeing, behaviour or complications associated with growing up.

It is an expectation of remaining at Runnymede College that all members of our community - including parents - work to abide by the values of the school in everything we do.

Parental support:

- In order to fulfil our obligations, we need your co-operation, in particular by:
 - fulfilling your own obligations by encouraging your child in their studies, and giving appropriate support at home;
 - keeping the School informed of matters which affect your child;
 - maintaining a courteous and constructive relationship with School staff; attending meetings and keeping in touch with the School where your child's interests so require;
 - ensuring that your child's social life does not adversely impact on his/her ability to meet the School's requirements in relation to academic work and/or other School activities or commitments.

Punctuality, preparation and appearance:

- Parents/guardians undertake to ensure that their child attends school when required, arrives punctually and leaves on time at the conclusion of his/her commitments, has the right equipment for academic work, sport or other obligations, is appropriately dressed in accordance with the School's uniform regulations and conforms to any other school standards relating to appearance.

Absence:

- Wherever possible the School's prior consent should be sought for absence from school. The school must be informed via iSAMs. In the case of unforeseen illness you should contact the school before school on the first day of illness and should send a confirmatory note on your child's return to School.
- Parents/guardians are expected to avoid taking your child out of school for holidays during school terms.

Bullying and online abuse:

- Parents/guardians understand that any instance of abuse or bullying by their child, either in person or online, can result in expulsion. Parents/guardians should try to set an example to your child in terms of language and behaviour at home and in your communications with the School.

ICT use:

- As a parent/guardian you undertake to support the school in ensuring your child abides by the school-pupil ICT User Agreement.

Entry into the Sixth Form:

- The School is not be obliged to permit your child to enter the sixth form unless satisfied that it is appropriate to do so with regard to their academic achievement and with regard to their behavioural and attendance record. The School may make a decision as to whether your child may enter the sixth form after the results of IGCSE examinations and make entry to the sixth form conditional upon the results of these examinations.

Suspension and expulsion:

- The Head may require you to remove or may suspend or expel your child from the School if it is considered that your child's attendance, progress or behaviour is seriously unsatisfactory and in the reasonable opinion of the Head the removal is in the School's best interests or those of your child or other children. For further details see [Promoting Positive Behaviour Policy](#)

References and information:

- You consent to our supplying information and a reference in respect of your child to any educational institution which you propose your child may attend. Any reference supplied by us shall be confidential subject to the disclosure rules of the receiving body. We will take care to ensure that all information that is supplied relating to your child is accurate and any opinion given on his/her ability, aptitude for certain courses and character is fair. However, we cannot be liable for any loss you are or your child is alleged to have suffered resulting from a reference or report given by us. UCAS references written by the School can be obtained from UCAS and so can be read by pupils or parents in the Head's office.
- You consent to us making use of information relating to your child whilst he or she is at the School and after he or she has left for the purposes of communicating, providing references and managing relationships with pupils and former pupils of the School. You accept that such information is stored in files and on computer and is subject to the data protection legislation currently in force.

The School's obligations:

- While your child remains a pupil of the School, we undertake to exercise reasonable skill and care in respect of his or her education and welfare. This obligation will apply during school hours and at other times when your child is permitted to be on School premises or is participating in activities organised by the School.
- We cannot accept any responsibility for the welfare of your child while off the School premises unless he is taking part in a school activity or otherwise under the supervision of a member of the School staff. Some pupils have the privilege of being allowed off site unsupervised at certain times and the above will apply in such circumstances.

For more information on any of the above points, please refer to the School's terms and conditions and individual School Policies, which are available on the website.
